Yumm! As I m barely surviving a busy first quarter of the year, I was just really happy to dress up, put on lots of  
makeup and get out on the town to just socialise and enjoy the evening with no other cares nor worries in the  
world.

Happy couple! What I really admired about this resort (other than its excellent service), is the fact that everything  
is so well designed and placed, from the bigger and grander items to the nitty gritty details that they ve put  
together.
