When else will you be able to get such a chance? The show kickstarted with much pizzazz, with dancers and their Samsung gadgets shaking to the music, and with models adorning the latest technological trends by the sponsor. Yumm! As I m barely surviving a busy first quarter of the year, I was just really happy to dress up, put on lots of makeup and get out on the town to just socialise and enjoy the evening with no other cares nor worries in the world.

Happy couple! What I really admired about this resort (other than its excellent service), is the fact that everything is so well designed and placed, from the bigger and grander items to the nitty gritty details that they ve put together.
