I was lucky to be invited again by the lovely and amazing team at Clozette
I bought home a couple packets and the coffee maker need to find some time to make a glass or ten! The resort has an amazing escalator/elevator system that brings you down the different levels they have Water, Earth, Heaven.
That hat has been on quite a bit of journeys with me! Breakfast at the on some comfortable heeled sandals, and the combination worked! The evening began with big fan-fare Sweet yet mature scent that is absolutely perfect for every-day wear! The cutest 4D coffee art featuring a bear-puccino! Having a bad week at work is tough, but it a simple yet amazing gesture from a loved one can really change up your perspective on whatever challenges you re facing.
Its really delicious, but like all their other salads, I suggest sharing! (L) My best
They showcased their latest line and I already knew I loved all of them.
